

DEPARTMENT OF CHILD PSYCHIATRY

An information evening for families and caregivers

Title

THINKING DIFFERENTLY ABOUT AUTISM SPECTRUM DISORDER

SPEAKER: EVDOKIA ANAGNOSTOU, MD

Evdokia Anagnostou, MD, Senior Clinician Scientist, Bloorview Research Institute; Tier II Canada Research Chair in translational therapeutics in ASD. She is also an associate professor in the Department of Pediatrics at the University of Toronto and a founding member of Kids Brain Health's autism research group. In recognition of her extraordinary contributions towards improving quality of life for children with autism and their families through research and teaching, Dr. Evdokia Anagnostou, has been appointed as the inaugural Dr. Stuart D. Sims Chair in Autism.

Date: Tuesday, March 7th, 2017
